Lieve Annelys de Vet,

You are hereby invited to **THE FEEDBACK FEAST** on Tuesday the 15тн of December of 2020 from 12.00н to 17.00н, at our Fabulous New Studio Diasbura. The dresscode is Colourful Joy. (//

It has taken our group very little time to understand that food plays a very important role in our dynamic. The way we learn through our meals is invaluable: feeding each other, digesting thoughts and food in our communal stomach, receiving a piece of one another every time we take a bite... All of these acts are at the core of our education. Therefore, we would like to take the opportunity of the informal presentations to share our nourishment with you. We want to have a meal full of excitement, progress and motivation, and we would love for you to join us.

We hope you will keep in mind the corona regulations and help us keep the event safe. Bring a mask, wash your hands, keep a distance.

So please, accept our invitation, sit down, receive our food, receive our work and please, please, please: feed us back. $R \cup \exists A \subseteq E$

> Sincerely, Diasbura Collective.

Perhaps you might not be physically present at this moment, this is okay. We will still ask if it's possible to hear your voice at some point, as we consider it important. The entire event will be livestreamed for your enjoyment, and our **FEEDBACK HOTLINE** will be open throughout the event at +31 (0) 684 58 47 87 where you are welcome to call in.

So please, accept our invitation, sit down, receive our food, receive our work and please, please, please: feed us back. $P_1 \in A \subseteq E$
